

SUPER TECH INDUSTRIES

AN ISO 9001:2015 and MSME Lean Certified Company

INTRODUCTION LETTER

Dear Sir,

We are pleased to introduce ourselves as one of the Engineering Manufacturing Industry engaged in all types of Machining/Fabrication/Sub-Assembly and Testing Activities.

We are also engaged in Special Fabrication and Welding Process such as Stellite weld, Colmony welding required for Valves. We also provide other fabrication activities related to Specialized products as per customer needs

We also have in house press machines up to 80 tons for developing Press components.

The Aim of our company is to give final product to end customer, which helps them to get one stop solution for all their needs and requirements.

Our Objective is to cater the requirement of various Manufacturers/Suppliers and Engineering Industries with our services. We are at presently expanding our capacity to add & serve the new clientele.

Our Technical expertise has led our customers to reduce product development time and scale-up their production levels to meet their desired targets. Also, our quality products and services have helped them to reduce the holding cost for the same.

We are situated at Bhosari MIDC (Pune) having total work space 4200 sq.fts and equipped with skilled manpower and supervisory staff.

Our main expertise is in developing Forged and Cast components specifically required for Engineering Product manufacturing and to be a single stop shop for all manufacturers/suppliers in developing components.

We are enclosing our Company Profile for your reference & record. We look forward towards long term association with your esteemed company. If you feel any additional information about us is required, please feel free to contact us.

Thanking you and Yours Truly,

Mr. Vinod Khambe –Owner

Mr. Abhijeet Shinde – Sales and Marketing
